RUTLAND, Vt., May 27, 2026 (GLOBE NEWSWIRE) -- Casella Waste Systems, Inc. ("Casella") (NASDAQ: CWST), a regional solid waste, recycling and resource management services company, today announced that it has priced the previously announced remarketing of \$15.0 million aggregate principal amount of New York State Environmental Facilities Corporation (the "Issuer") Solid Waste Disposal Revenue Bonds (Casella Waste Systems, Inc. Project) Series 2014R-2 (collectively, the "Bonds"). The Bonds were issued pursuant to an Indenture dated December 1, 2014 (the "Indenture") and drawn down on June 2, 2016. The Bonds have a final maturity date of December 1, 2044.

Pursuant to the Indenture, the interest rate period currently applicable to the Bonds expires on May 31, 2026, and accordingly, the Bonds are subject to mandatory tender on June 1, 2026. Casella expects that the Bonds will be remarketed on June 1, 2026 at a new interest rate of 4.300% per annum for a new interest rate period commencing on June 1, 2026 and ending on June 1, 2036. The remarketing is expected to become effective on June 1, 2026.

The Bonds are guaranteed pursuant to a Guaranty Agreement (the "Guaranty") by all or substantially all of Casella's subsidiaries (the "Guarantors"), as required pursuant to the terms of the loan agreement pursuant to which the Issuer loaned the proceeds of the Bonds to Casella. The Bonds are not a general obligation of the Issuer and do not constitute an indebtedness of or a charge against the general credit of the Issuer. The Bonds are not a debt of the State of New York, and are payable solely from amounts received from Casella under the terms of the Indenture and from the Guarantors under the Guaranty.

The Bonds are being offered only to qualified institutional buyers as defined in Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"). The Bonds have not been and will not be registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and other applicable securities laws. This press release shall not constitute an offer to sell or the solicitation of an offer to buy the Bonds, nor shall there be any sale of the Bonds in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such jurisdiction. This notice is being issued pursuant to and in accordance with Rule 135c under the Securities Act.
